

Two luxury cottages nestled in a secluded spot on the shore of Loch Sunart

Each cottage has been designed for convenience and comfort and finished to a high standard throughout to ensure your stay has all the home comforts, plus a few extra special touches.

One of the special touches is the spacious decked veranda where you can relax with a dram in hand, listening to the waves lapping against your private shoreline. Sit and watch the world go by, which in this rural location, consists mostly of local wildlife. Red deer regularly visit at sunrise and sunset to graze near the cottage and it's not uncommon to spot other nocturnal animals from the veranda around sunset, too.

The cottages are surrounded by 15 acres of breath-taking grounds that you're free to explore. Not sure where to start? We'd highly recommend a stroll along your own private Loch Sunart shoreline.

Inside, the cottages are decorated in warm red and natural colours, with local art accenting the rooms and chunky hardwood furniture adding plenty of rustic charm. You'll feel cosy curled up on the sofa in front of the log-burner of an evening and revitalised when the sun streams in through the large windows in the morning.

Downstairs is open plan, with a modern fitted kitchen equipped with everything you need for a self catering break; a spacious living area that boasts magnificent views of the surrounding countryside and plenty of room for both a lounge and a dining area, a porch to store coats and boots, a small WC and the first of three bedrooms. This downstairs bedroom has twin beds and it's own en-suite bathroom.

Upstairs there is a large gallery landing with a seating area that can be used as a second living room or snug, and two further large double bedrooms, both with their own en-suite bathrooms.

1. Travel to **Nether Lochaber ferry terminal** by train, bus or car. We can help you plan the first part of your route on the **travel options** page at our website. www.sunartadventures.com/travel/travel-options.html
2. Once you've reached **Nether Lochaber**, take the **Corran Ferry** from the terminal for the short 10-minute crossing to **Ardgour**.
3. Now you're back on dry land, follow the **A861** through **Strontian** until you reach **Salen**.
4. Look out for a left turn in **Salen** signposted for the **B8007** and follow that road for six miles to **Glenborrodale**.
5. When you arrive in **Glenborrodale**, look out towards Loch Sunart to spot the cottages. They're on the shore side of the road, just 350 metres from the small primary school.

You could also pop the postcode **PH36 4JP** in your sat nav to help keep you on course.
